"Morales' eerily glowing illustrations capture the blend of traditional Halloween and Día de los Muertos symbols, matching the humorous interplay of Spanish and English in the text. Historical allusions and whimsical figures delight the eye in this timeless story,"

--Jean Hatfield, *Pura Belpré Award Committee Chair*

"Atmospheric, bilingual romp."

--*Publishers Weekly*

"Montes' evocative poem deserves exceptional artwork, and Morales obliges... this spookiness is what Halloween is all about."

--*Booklist*

"A spooky seasonal treat."
